Commissioner Jane E. Henney
Parklawn Building, Room 14-71
5600 Fishers Lane
Rockville MD 20857

Dear Commissioner Henney:

I urge you to save human lives by banning the use of medically useful antibiotic in animal feed. We do not want bacteria to become resistant to these antibiotics, making them unusable for humans.

I understand there is a Center for Science in the Public Interest (CSPI) petition to this effect. I am in support of it.

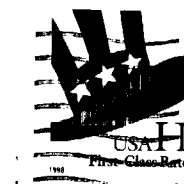

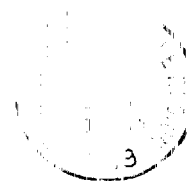

Sincerely,

Suzanne Fitzgerald
